We would like to thank the following people:

The students who anxiously learned the songs and worked so hard to put on this program for you,

The parents of our Husmann students who made costumes, and helped out in every way possible,

Mrs. Corteen and Mrs. Wright for keeping Ms. Sherman on schedule and thinking straight,

Mrs. Crossmock for her piano playing,

The First and Second Grade teachers for their patience and flexibility with scheduling,

And finally, to the janitorial staff for helping move risers, instruments back and forth.
