***"Share a Dream Come True"***

From Jan. 23rd -28th, the BEHS Band traveled to Orlando, FL to perform in the "Share a Dream Come True" parade at Walt Disney World's Magic Kingdom. Ninety-seven East band students in grades 9-12 prepared for the event with several 6 am rehearsals and many hours of fine-tuning and memorizing the music. To make the performance even more memorable, the new marching band uniforms were delivered just in time for the trip. The Spartan Band was proud to display their new uniforms as they marched down main street U.S.A. performing "A Veteran's Salute." A special Thank-You to Barry Martin, The Friends of Fine Arts, and to all who contributed their time, talents, or financial resources to make the uniforms a reality.

Along with marching in the parade, the BEHS band participated in Walt Disney's "Magic Music Days." This three-hour clinic was aimed at giving students a taste of what it is like to be a professional studio musician. Throughout the session, students would play a Disney tune, listen to a recording of their performance, and analyze what could use improvement. The experience culminated in a thirty-minute rehearsal of a "Tarzan Medley" that was recorded and used as the soundtrack for a portion of the animated film Tarzan. Because the music is so closely related to the action on the screen, students had to be precise in their performance to ensure that the audio/video would work well together. In the end, the students had a product they could all be proud of and an experience that will last a lifetime.

This opportunity could not have been offered without great chaperones. Thank-You to Gary Blaschke, Tom Curtis, Barb Ehlers, Shirley Fishman, Art Garekis, Lynn Highum, Joan & Joel Lueneburg, Anne & Barry Martin, Robert Salnick, and Lynn & Bob Viviano. Also a special Thank You to Cascio Music for donating the use of their equipment trailer. With your help, we were able to offer an experience our students will never forget!
