| John Menzel        | America the Beautiful         | S. Ward                |

Note: I just wanted to thank all the students and their families for coming, and apologize, in advance, to any student I may embarrass today. Embarrassing my students is one of the only ways I can get back at them for all the missed notes, poor excuses why they don't practice, bruised legs, lost music and sometimes terrible squeaks!
