To "A Celebration of Music" and thank you for joining us in this special musical tribute. The Greenhalgh Memorial Music Endowment Fund was established by alumni in October 2005 to provide supplemental financial support for the activities of the music program established by Douglas B. Greenhalgh at Chippewa Falls Senior High School. The Fund has received generous gifts in memory of Doug, Therese, and Morgan Greenhalgh, Branden Atherton, and Paul Rasmus, as well as in honor of students and faculty injured in the bus accident. Nearly half of the more than two-hundred gifts received to date have been from out-of-town donors, including other marching bands, music booster programs, and alumni; and the balance for generous corporate sponsors, community members, and others who believe strongly in the value of music programs like the one here at Chippewa Falls Senior High School.

The value and benefit of the music program at Chi-Hi is evidenced today by the concert participants themselves. The love, dedication, and kinship of the music program is illustrated in loving detail by the middle and high school music program members honoring their friends and teachers; the alumni, representing classes of Mr. Greenhalgh's students from throughout his more than 20 years of leadership at Chi-Hi; and the University of Wisconsin-Eau Claire, which has consistently provided talented student teachers and other generous resources for the Chi-Hi music program.

We are pleased that the UWEC Wind Symphony together with the Chi-Hi Senior band members will premiere the specially commissioned piece, "Threnody," by nationally renowned composer, Jim Bonney. We also want to recognize Joe Coughlin, who coordinated the commissioning of the piece, which received generous financial support from marching band programs and others who believed the piece should be created. "Threnody" is intended as a memorial and celebration of life through music. It is a musical tribute to those who shared their gift of music with so many of us.

On behalf of the Greenhalgh Memorial Music Endowment Board, we would like to thank all of our donors and sponsors, as well as all of the contributors to today's concert, many of whom have been donating their time and talents since last October to make this event a reality. We would especially like to thank all of the concert participants; Eric Olson for organizing and coordinating the concert participants, musical selection, and venue; Joe Coughlin for organizing and coordinating the commissioning of "Threnody;" Tim MacLaughlin-Barck for organizing and coordinating all aspects of advertising for this event; and Bryan Jaeckel and Julie Hutton for creating and producing this program.

Thank you for your continued support of the Endowment. We hope that you enjoy this unique concert.

Megan (Larson) MacLaughlin-Barck and Darrin Senn, Co-Chairs, Endowment Board of the Greenhalgh Memorial Music Endowment Fund

Established in 2001, the Community Foundation of Chippewa County:

- Builds permanent endowment,
- Helps donors achieve their philanthropic goals,
- And benefits the people and communities of Chippewa County now and forever.

The Foundation carries out its mission by:

- Encouraging lifetime and estate gifts for endowment;
- Making grants to not-for-profit organizations that serve Chippewa County; and
- Working collaboratively and creatively to enhance the quality of life in Chippewa County.

In October 2005, the Community Foundation of Chippewa County ("CFCC") put its mission statement to work helping Chippewa Falls Senior High School Marching Band Alumni establish the Greenhalgh Memorial Music Endowment Fund, a Donor Advised Fund intended to provide support for Chi-Hi music program activities. While the CFCC funds have grown steadily to a total of forty-four funds with assets of more than $2,000,000, the Greenhalgh Memorial Music Endowment Fund has grown to more than $55,000 thanks to contributions from the community, across the nation, and around the world.

The CFCC is one of over 20 community foundations in Wisconsin that operate in compliance with the National Standards for Community Foundations, certified through a rigorous peer review process. The office is located in the historic Rutledge Charities Building, 404 N. Bridge Street, Chippewa Falls. For additional information about the CFCC, please call Carol at 715-723-8125, or send email to: cgienapp@cacfoundation.org.

Greenhalgh Memorial Music Endowment Fund

As a Donor Advised Fund of the Community Foundation of Chippewa County, the Greenhalgh Memorial Music Endowment Fund provides supplemental financial support for the activities of the music program established by Douglas B. Greenhalgh at Chippewa Falls Senior High School. For nearly twenty-three years, Mr. Greenhalgh gave the gift of music to his students and earned their love through discipline, respect, and humor. Donors to the Fund support the legacy of excellence established by Mr. Greenhalgh at Chi-Hi, and the Fund itself will bolster the music program Mr. Greenhalgh fostered, allowing it to grow and thrive for generations to come.

The Endowment Board wishes to thank you for the gift you gave today by purchasing your ticket. If you would like to make an additional gift to the Fund, please make your check payable to The Community Foundation of Chippewa County, with a memo for the Greenhalgh Memorial Music Endowment, and send your gift to:

A Celebration of Community

At Wipfli, our vision of partnership is one that extends beyond that of a trusted business partner. Partnering with our community and area schools is equally important. That's why we are committed to supporting the programs and events that shape the futures of our youth.

Together, we can ensure that our community will grow and prosper for generations to come.

“SEEING LIGHTS GO ON IS REWARDING. ESPECIALLY WHEN THEY’RE IN THE MINDS OF CHILDREN.”

“We supply our communities with all kinds of energy. Not the least of which are our efforts in education. Our Xcel Energy Foundation continually funds educational programs and scholarships, while supporting schools, museums, nature centers and other opportunities for learning. We know the success of our company is directly related to the health and vitality of our communities. That’s why, in addition to sponsoring and funding educational initiatives, we support the volunteer efforts of our employees and retirees with cash donations to their chosen organizations for every hour they serve. Because to us, anything that helps the education of all of our children is energy well spent.” Xcel Energy. You get all of our energy.

A Celebration of Music

A Benefit Concert in Support of the Greenhalgh Memorial Music Endowment
Jim Bonney, composer

A highly versatile musician and composer, Jim Bonney finds himself composing in a wide variety of styles, creating everything from avant-garde symphonic orchestral scores to traditional jazz big-band charts; as well as all styles of pop, rock, world-beat, and contemporary electronica.

As a guitarist, Jim has recorded with the Empire Brass (on Telarc Records), and as a studio musician for numerous film scores, including "The Meaning of the Blues," "Alligator Alley," and the TV series "Chicago Hope". He is also regularly featured as a soloist for his electric guitar concerto, "Chaos Theory."

While living in Los Angeles, Jim was a ghostwriter for the television programs "Buffy the Vampire Slayer" and "The Weekenders." He has also scored numerous short films, documentaries, commercials, games, and videos.

Jim graduated from the Cleveland Institute of Music in 1994 with a double degree in Classical Guitar Performance and Audio Recording Technology. He completed the Advanced Studies program in "Scoring for Motion Picture and Television" at the University of Southern California in May of 1999, and participated in the 1999 ASCAP Film Composer's Workshop. He is currently a senior composer/sound designer for Midway Games, creating music for the video game MORTAL KOMBAT: ARMAGEDDON.

Branden Atherton Memorial Music Scholarship

The Branden Atherton Memorial Scholarship was established with the University of Wisconsin-Eau Claire Foundation after Branden was killed in the October 16, 2005, collision of a bus carrying Chippewa Falls High School marching band members, teachers, chaperones and family members. Branden, who died on his 24th birthday, was an outstanding senior music education major and student leader at UW-Eau Claire. This scholarship was established through memorial gifts received as a tribute to Branden’s life and his role as a student leader who inspired those around him to great achievement.

The Branden Atherton Memorial Scholarship will be awarded to an outstanding UW-Eau Claire music major from Chippewa Falls or Waukesha West High Schools. The recipient shall be selected by the music faculty scholarship committee. Applicants must be planning to become music teachers and must be active participants and leaders in music groups and/or ensembles at UW-Eau Claire. Students must exemplify and demonstrate passion for the music profession and teaching, serve as positive role models for their peers and inspire those around them to higher levels of achievement. The first recipient will be selected this spring.

Gifts to the Branden Atherton Memorial Scholarship still are welcomed and accepted. If you are interested in supporting this special memorial fund, please send your gift to the UW-Eau Claire Foundation (simply indicated Fund #1669 on your check), Box 4004, Eau Claire, WI 54702-4004. You also can give online at http://www.uwec.edu/fndn/giving.htm. The UW-Eau Claire Foundation accepts VISA, MasterCard, Discover and American Express. Gifts of cash, checks, electronic funds transfer, stock or other tangible assets also are accepted.

If you are interested in developing a specific giving plan to support this scholarship or any music scholarships at UW-Eau Claire, contact the UW-Eau Claire Foundation by calling 715-836-5630 or emailing waykk@uwec.edu.
Developing a Prudent Fiduciary Framework

There's a reason why so many of the nation's most successful institutional investors turn to Citigroup Institutional Consulting. It's the need for customized investment advice, the experienced delivery of customized strategies and a sophisticated platform of diverse investment options.

Citigroup Institutional Consulting provides investment consulting services for:
- Public School Districts
- Corporate Retirement Plans
- Foundations and Endowments
- Associations
- Private Clients
