Excellence. Our Measure, Our Motto, Our Goal.
Welcome!

On behalf of the students and faculty of the Department of Music and Theatre Arts, I am pleased to welcome you to the 2008 Indianhead Honors Band concert. The region’s most talented high school musicians are part of the ensemble you will hear this evening. Congratulations to tonight’s performers and to the high school music programs they represent.

Also performing on tonight’s program will be the UW-Eau Claire Wind Symphony. This ensemble offers students the opportunity to perform a wide range of challenging literature for wind ensembles. The ensemble is but a part of the large, well-established programs of study in the Department of Music and Theatre Arts. The many choral and instrumental groups perform music ranging from traditional music for choir, orchestra, wind ensemble to jazz, opera and musical theatre.

Over four hundred seventy majors and minors in the Department of Music and Theatre Arts are working toward degrees in music education, performance, composition, music theory, creative and technical theatre, and dance. National recognition for the quality of UW-Eau Claire and the Department of Music and Theatre Arts has come in the form of mentions in U.S. News and World Report’s annual College Guide, DownBeat magazine, and the American Choral Director’s Association. Know that you are always welcome on our campus and in the department. Come and enjoy one of the many concerts, recitals, and main stage theatre productions and experience for yourself the UW-Eau Claire difference!
