OCO Debut Concert and the Lake Country Project

We're on a mission.... Since its inception, the Oconomowoc Chamber Orchestra has had a vision of a Debut Concert including two composers writing premieres for Lake Country, a world-class soloist, Beethoven's Fifth Symphony, and Aaron Copland's Fanfare for the Common Man. We are very near to making this goal a reality, and have the OAC holding the date for July 10th, 2010. For more information, visit the literature table in the lobby, or visit www.oconchamberorch.org. Would you like to be a part of this effort? We welcome those who would like to volunteer for OCO to help share the word and vision. Also, donations may be made to the OCO online, today in the lobby, or by mail to the OCO at 962 Valentine Rd. Oconomowoc, 53066.
