President's Message

On behalf of the Kettle Moraine Music Parents Association (KMMPA) I would like to welcome everyone to the 2011-2012 performance year. There are many exciting programs to look forward to including our fall, winter and spring concerts, Costume Ball, Puttin' on the Ritz, Breakfast with Santa, Madrigal Feast and Pageant. Taste of New Orleans and the District Music Festivals. The KMMPA is committed to maintaining quality music education in the Kettle Moraine School District. We are a resource that provides information, volunteer opportunities and builds relationships for parents and students which support the district music programs.

The KMMPA membership includes all parents or guardians of students who are enrolled in a music program in the Kettle Moraine School District as well as music directors in the district. If your child is in choir, band or orchestra in the elementary, middle or high school level, then you are automatically a member of KMMPA. Meetings are held monthly and open to everyone in the district. The KMMPA sponsors several fundraising events annually to support the KM band, choir, and orchestra music programs. All proceeds from these events provide music, instruments, equipment and opportunities for our music programs throughout the school district.

In order to be successful, we count on your support as music parents to staff our numerous events. Volunteering for the KMMPA is an excellent way to be connected to the music events, student activities and also to network with other parents. KMMPA offers numerous volunteer opportunities throughout the year including the Annual Homecoming Chili Supper, The World's Largest Cookie Sale, Concert Greeters, and WSMA District Solo & Ensemble Festival. Please consider supporting the music programs with your time and talent.

KMMPA strives to build relationships within the district, between students, directors and in the community. These relationships are important for maintaining our quality music programs. Please patronize our community donors who generously support our KM music programs. Thank you and enjoy the show!

NEW Please check out our newly updated webpage which is located on the KMSD website in the "For Families" section. The RESOURCES located on the left side of the webpage provides information on private music instructors, instruments for sale, where to have instruments repaired, extracurricular music opportunities including performance groups, music camps, auditions, practice tips, etc. If you have opportunities, an instrument to sell, or information to share, please let us know so that we can update our webpage. Like KMMPA on Facebook for updates and photos

Meet Our Cover Artist

Elizabeth DeYoe became inspired by the way people can be connected to nature, and to each other, through music. The "Tree of Life" has roots symbolizing the connection music has to the earth and how people can be connected through music. Then, the tree is giving musical instruments in the way nature gives inspiration to musicians. Nice job Elizabeth! Thank you for your artwork.

Now, sit back and enjoy the music!
