From the director......Welcome to McDonell High School’s enchanted musical production of Beauty and the Beast. This is one of the most dazzling productions in the history of theatre. Ours has been a HUGE production with lots of technical effects, complicated light cues, tremendous show stopping song and dance numbers, challenging choreography, imaginative costumes and props, three gorgeous sets, and a superb orchestra! We all began early in September with nearly 100 people over the next weeks contributing to make the show a success. It needed the co-operative efforts and talents of each and every one. I am grateful for the adult participation -mostly McDonell graduates-in the chorus, orchestra, and set building. The students -6th graders through seniors -have been outstanding. I believe they have had fun creating their magical characters while making new friends, developing confidence, and learning so much about responsibility and leadership. I am grateful for another opportunity to follow my passion. Thank you for your attendance. If you enjoy the show, please tell your friends and family. -Sue Decker
