False alarm. I am like Waldo in the #VirtualChoir4 video. #VC4

#VC4 brought the house down tonight at #CoronationFestival. Audience loved @EricWhitacre & @thebachchoir. Bravo to all & the Virtual Singers

Becca might have found me in #VC4 I hope so #VirtualChoir4

Hey I like your picture. And you were right about #VC4. @EricWhitacre does some amazing things.

ABOUT THE VIRTUAL CHOIR

The Virtual Choir began in May 2009 as a simple experiment in social media and has since exploded into a global phenomenon, creating a user-generated choir that brings together singers from around the world in their love of music making through the use of technology, whether singing alone in their living rooms, their dorm rooms, their garages or anywhere they can connect to the internet; these videos are synchronised and combined into one single performance to create the Virtual Choir.
