Director's Note

It is my pleasure to present Kiss Me, Kate to you. This is a musical that is treasured by many—enduring songs, cleverly written lyrics, expressive dances, silly antics, a bit of the Bard, and a romance. It is a jam packed piece. I remember years ago performing at an outdoor theatre that ran Taming of the Shrew and Kiss Me, Kate in repertory over a few hot weekends outside in all kinds of weather under a tent. I remember running for cover several times as serious storms and tornadoes interrupted performances. Even under the most trying of circumstances these wonderful, tunes and timeless stories of the pursuit of happiness and respect of the individual drew audience's rave review. I hope you will allow yourself a similar escape with us. Enjoy the performance.
